NEAFA's Recent Accomplishments:

- Successfully lead a campaign for industry support of two Animal Science faculty positions at Cornell University
- Successfully advocated for continued State support of PRO-DAIRY.
- Successfully stopped efforts in NY to mandate GMO labels on food.
- Supported the National GMO labeling legislation signed by President Obama.
- Curbed the impact of state mandatory water quality laws on Vermont Farmers.
- Supported funding for New Hampshire Department of Agriculture.
- Effectively lobbied against New York Thruway toll increases.
- Supported passage of Maine Dairy Stabilization Fund.
- Supported defense of agricultural property tax relief in Vermont.
